

Youth Group

Sunday Mornings

Youth in Grades 6 through 12 initially meet downstairs in the Net Room before breaking out into smaller age appropriate classes. The Net is located below the sanctuary.

Wednesday Night Youth Group

Middle school (6th-8th) and high school (9th-12th) youth meet every Wednesday, from 6:30 p.m. -7:45 p.m. when Knox County Schools are in session. In addition to a time of learning how to live the Christian journey everyday of their lives, there could also be games, worship, small group time, and service projects for this group.

During the summer we meet for absolutely ridiculous games and craziness, including Jell-O Night, Capture the Flag Night, Water Night, and more. Ever been on a Jell-O slip and slide? This is your chance!

Throughout the year there are also:

- White Water Rafting

- Resurrection Youth Conference in Gatlinburg

- Local, regional, national and international mission/service opportunities

- Various fun day trips

The NET is our after-school ministry dedicated to our students at Gresham Middle School. We strive to make our after-school program an excellent place where students are safe, nurtured, and spiritually encouraged. From healthy snacks, time to study, time to relax, tutoring, daily devotions, recreation, opportunities for artistic expression, and safe transportation from GMS, we offer something unique in our community.

The NET meets weekdays from 3:30 p.m. – 6:00 p.m. when Knox County Schools are in session. Though Fountain City UMC members are given preference for placement in the program through August 1, you may turn in [an application](#) at any time.
