## **Fountain Kids Security**

Fountain City United Methodist Fountain Kids is a Safe Sanctuaries ministry utilizing KidCheck as our secure system. All workers are background checked according to Safe Sanctuaries policies, and we provide two training opportunities each year.

KidCheck is our security check-in system. If you are new and do not have an account, please go online to [go.kidcheck.com](http://go.kidcheck.com) to create your child's account. KidCheck is a secure system for the safety of your child. Parents can check children in at: 1) Welcome Center on first floor, or 2) Second Floor location (children's rooms/two stations). Parent takes Fountain Kids Guardian Label for pick-up of child. Child wears Fountain Kids Nametag for identification and allergy alert in class. Upon pickup of child, the Fountain Kids Guardian label is matched to the child's label adult at classroom door.
